

In the TR-Club DK, we offer technical help when you experience car problems.

You can get in touch with TR experts who can provide technical guidance as well as carry out repairs. The person to contact depends on your location in Denmark.

Below, you will find a list of contacts who have a broad knowledge of TR cars and who can often help get your car back on the road again.

North Zealand

British Sportscars  
Hejreskovvej 26 B  
3490 Kvistgård

The company has many years of experience handling service and repairs of classic English sport cars. The company does not have a store of spare parts but it is able to get a hold of spare parts.
